Motion for Sanctions Against Federal Defenders
For: Judge Detken

Defendant, Jeremy Joseph, comes before the court in the above styled case and moves the court to issue sanctions against Federal Defenders for not complying with a previous court order to provide Defendant his entire case file.

Defendant has received a defective external hard drive and an incomplete mix of materials from court proceedings. Defendant requires case file for current and legal proceedings, including in this case. Defendant asks that sanctions be applied until defendant's case file has been provided. a daily fine of \$300/day and any other actions to ensure delivery of case file. Case file includes: a) all original documents provided to Federal Defenders from defendant, b) hard copies of all correspondences, filings, and notes c) hard copy/book of killers of the Flower Moon, d) external hard drive containing all materials, e) communications and work product of everyone who worked on the case and f) any and all materials relevant to case in Federal Defenders position. Defendant wants all original documents returned. Submitted. Jeremy Joseph JJS
